

Abigail International Missions Newsletter

January 2018

Greetings Brothers and Sisters in Christ!

The Lord has really been there for us these last few weeks as the enemy has tried in so many ways to upset, harass, and derail the work of God here at Goshen. A water pipe broke in the wall, and flooded a couple of bedrooms and a closet. Then we found that mice had taken up residence in the wall. A couple of days later, lightning created a surge that took out our laptop computer and modem, which was the second time in about six months! The bank notified us that they had to re-issue a couple of our debit cards because of possible data breaches due to no fault of our own. This morning we had no water, and found that the water tank in the well house sprung a leak soaking everything!

We give God the glory because in times past the temptation might have been to cry out 'why me'? Not today! We rejoice in all things, and will not let the enemy have our joy and peace!

John 16:33

These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.

Plans for the New Year:

The Abigail International Missions Board had its annual meeting where we determined the goals for the new year. The first goal had to do with revamping the AIM website to be more user friendly allowing for easier uploading of newsletters, articles, sermons, etc. We also want to be able to respond in a more timely manner to viewers' requests. The second goal had to do with taking bids and gathering funding for the two new efficiencies. The next goal involved planning for Pastor Monty Mulkey's workshop the second week of June, 2018. Another goal involved having a booth again at April in Edom for community outreach. Finally, we will continue to emphasize working with homeless veterans, and women and children in crisis.

As always, our door is always open to those whom the Lord leads here for us to help. In addition, the Friday night fellowship meals, praise, prayer, and preaching the Word will continue, as well as other activities the Lord would have us participate in.

Board Member J D Collett had a surprise for us this year that was a completely unexpected, but welcomed gift. His ministry, Cardboard Heros, donated \$2500.00 toward the building fund here at Goshen. Thank you J D for helping us toward our goal of building the two efficiencies that, once built, will house homeless veterans and others the Lord sends our way.

After the meeting, we had a time of fellowship over lunch in the parsonage. We were blessed to have four veterans there with us, two of which were at one time homeless. They now have a roof over their heads and new purpose. Please pray for them that they will receive the Lord through our interaction with them, and move to fulfill HIS purpose in their lives.

How to Partner with AIM

If you would like to partner with AIM, please log on to www.abigailinternationalmissions.org, or send your

Donations and prayer requests to:
